Exhibitor FAQs and Information

Reserving and Installing Your Booth

How is booth space assigned?

The booth assignments are based on level and when the contract was received. Exhibitors will receive priority assignments by group of sponsorship level. Within each group, space will be decided by the contracted date. FSO-HNS/FSFPRS tries to make sure competitors are not placed by one another, but the space assignment methods vary based on when your contract is received.

How tall can my booth be?

Standard inline booth maximum height is 8 feet. No signage or display features are permitted above this height. Booths must maintain line of sight for neighboring exhibitors.

Will I receive more detailed exhibitor information?

FSO-HNS/FSFPRS will email your exhibitor kit to the primary exhibitor contact in October 2019. If you have questions prior to this date, please contact the exhibitor coordinator. The exhibitor kit will include:

- Details on how to order electricity, internet, labor, and other booth essentials
- Details on how to ship materials to and from the hotel
- Pre-Conference Attendee List
- Exhibitor Schedule
- And other important information

In and Around Your Booth

What about product demonstration?

Exhibitors may demonstrate their products and equipment. However, demonstrations must be conducted within the confines of your booth space so as not to block neighboring booths.

What if we want to host an event?

Social functions sponsored independently by exhibitors during the FSO-HNS/FSFPRS meeting cannot conflict with scheduled conference education sessions or social events.

At the Meeting

Where can I find hotel reservation information?

Hotel reservation information can be found by going to the FSO-HNS or FSFPRS webpage on www.fsohns.org or www.fsfprs.org.

What if I need more than my allotted number of exhibit registrations?

If you would like to add any additional personnel to staff your booth, there is an additional fee included on the registration form.

What are the cancellation rules and policies?

Cancellation of space and refund is subject to the following conditions: Exhibitors shall give written notice of cancellation; if written notice is received on or before Oct. 4, 2019, 50% will be refunded. Cancellation for any reason after Oct. 4, 2019, will not be eligible for any refund.
